SSIEM 2023 Honorary Officers Visit to Israel

ON A STROLL IN THE OLD CITY OF JERUSALEM

SITE INSPECTION AT THE ICC JERUSALEM (SSIEM 2023 CONFERENCE VENUE)

Regards from the SSIEM Honorary Officers! We are thrilled to announce the successful completion of our site inspection visit to Israel, including a captivating visit to the enchanting city of Jerusalem, the location for the SSIEM 2023 Annual Symposium.

Throughout our visit, the SSIEM abstract committee met and meticulously reviewed all submitted abstracts and curated an exceptional conference program. We are thrilled with the outcome and excited to welcome attendees from around the globe in August.

During their time in Israel, the SSIEM representatives (Honorary Chair, Secretary and Treasurer, plus Symposia 2023 and 2024 presidents) visited the ICC (Symposium venue) and explored the captivating old city, personally experiencing its vibe and atmosphere.

Stay tuned for more updates as we finalize the preparations for an unforgettable SSIEM 2023 Annual Symposium. See you soon!
